Boy Scouts of *America Mission*

It is the mission of the Boy Scouts of America to serve others by helping to instill values in young people and in other ways to prepare them to make ethical choices during their lifetime in achieving their full potential. The values we strive to instill are based on those found in the Scout Oath and Law.

LEAVING THE CAMPSITE Better Than You Found It!

Every good Scout is taught to "leave his campsite better than he found it". This principle holds true regardless of the condition of the campsite, and can sometimes require a great deal of extra effort to live up to. **Can we afford to do anything less?** We are living in a society littered by leadership depravation, selfishness, and moral corruption. But, it does not have to be this way. If enough adults will invest enough time and resources into enough young people, then we will leave our "campsite" better than we found it. In 2011, more than 35,000 young people will benefit from programs offered by the Baltimore Area Council. By becoming a Friend of Scouting, you provide us with the ongoing support to help us continue this important work.

Thank You!
